Nanaimo Whips Navy

Nanaimo Clippers and the Navy opened the Coy Cup hockey playdowns on a riotous note at Memorial Arena last night as the Clippers bounced the Tars, 11-8, and Nanaimo's Don Ashbee attacked a referee.

A total of 23 penalties were handed out in the game, second of a double bill. In the opener, Army clinched third place in the Commercial Hockey League by trouncing Shell Aces, 6-1.

FINAL STANDINGS

	W	L	T	Pts.
Navy	12	1	1	25
Vics	7	5	2	16
Army	4	10	1	9
Aces	3	10	2	8

Last night's score: Army 6, Aces 1.

Ashbee had two goals to his credit and the Clippers were ahead, 6-5, when he went on his rampage. Referee Johnny "Red" Smith called Ashbee for slashing. Ashbee promptly skated him into the boards in protest and got in several punches before the pair were separated.

MATCH MISCONDUCT

Ashbee was given a match misconduct penalty.

Arnie Dugan scored three goals to lead the Clippers to the win against a Navy team that proved more stubborn than expected.

Ashbee and Joe Zuback had two each, while Earl Robinson, Bill Sutherland, Bruno Furlan and Don Smith each scored once. Joe Tanner had three goals for the Navy. Morris got two and Standley, Chobater and Cook added single goals.

The game was the first of a best-of-five series to determine the Island representative in the Coy Cup provincial playdowns. Second game will be played Saturday in Nanaimo and the third back in Victoria Feb. 18.

TIGHT CHECKING

Army used tight checking to get their win over the Aces. As a result of the victory, the Soldiers will play Vics and Aces will play Navy in the Commercial League playoffs, which start Feb. 28.

Pat McNeil and Tooth each scored twice for Army and Bob Ashworth and Al Nieson got a goal each. Ab Wiebe got the Aces' goal at 2.09 of the final period.

An Addition to the Cast

Speaking Briefly

Same Pay, Less Work For Card Outfielder

Stan Musial, who signed his second straight $100,000-a-year contract Monday, will have his work week shortened this year when St. Louis Cardinals make their bid for the National League pennant.

General-manager Bing Devine reported that the Cards have agreed to handle the 38-year-old Musial like the precious diamond commodity that he is, rather than play him into exhaustion. This means that Musial will be stationed in the outfield instead of first base, and will sit out games whenever he feels in need of a breather.

Musial, who became the eighth major leaguer to reach the 3,000-hit mark last year, appears fit and ready for the coming season, and was enthusiastic about the new arrangement.

Holder of a hatful of hitting records, and needing only six two-base hits to tie Honus Wagner's doubles record, Musial was jocular about his chances of adding new records to his collection.

"If I'm close to one," he grinned, "I'll work on it."

Andy Bathgate Leading

Five Still in Running For NHL Scoring Crown

There are still enough games left for someone else, Jean Beliveau, perhaps, to spurt to the top but to all intents and purposes, only five players have any reasonable chance to win this season's National Hockey League scoring championship.

Out in front and the favorite, is New York Rangers' Andy Bathgate but his lead is only two points over Boom-Boom Geoffrion of Montreal Canadiens, who has been in a bit of a slump of late but who could break out with a rash of points at any time.

LITZ MOVES UP

In third place, and moving fast, is a fellow who has all the ability he needs. That would be lanky Ed Litzenberger of Chicago's fast-moving Black Hawks. He has shot eight goals and picked up five assists in the past two weeks to move into a challenging position only five points behind Bathgate.

Two points further back and in close pursuit to rate is Gordie Howe, Detroit's one-man gang. If the Red Wings ever snap their lengthy slump, Howe could move to the front in a hurry. At the moment it's simply a case of stop Howe and beat the Wings and opposing clubs are concentrating on the big rightwinger.

Two points back of Howe and nine points out of the lead is defending-champion Dick Moore of Montreal, who also has to rate a fair chance. But Beliveau is 15 points off the pace and he and those behind him are not likely to make up that much ground in the remaining games.

Ted Lindsay of Chicago, having a fine season, leads by a healthy margin in penalties, his 156 minutes making Lou Fontinato, at 122, look like a piker. Well within reach of Lindsay is Fontinato's record of 202 minutes.

Jacques Plante of Montreal, who has a 2.13 goals-against average for the 52 games he has played, is practically a cinch to again win the Vezina Trophy.

Egan Confident Cougars Headed for Second Spot

As puzzled as anyone but with more faith than most, manager-coach Pat Egan is still pointing Victoria Cougars for a second-place finish in the Western Division of the Western Hockey League.

First, though, comes third place and Egan feels he has his Cats primed to reach that spot at Memorial Arena tonight, when Spokane Spokes, provide the opposition.

The Spokes, who have held up amazingly well in their freshman NHL season, lead the Cougars by a single point and have played two extra games.

Saskatoon	46	20	23	3	145	153	43

Last night's scores: Seattle 1 at Vancouver 1 (overtime); Winnipeg 3 at Calgary 4; New Westminster 3 at Edmonton 2.

Next game: Tonight, Spokane at VICTORIA.

"If we can win this one, and we're going to, we will have quite an edge," Egan said last night. He didn't mention New Westminster but it was certain he had the Royals in mind, too. They won at Edmonton last night and trail the Cougars now by eight points.

Victory tonight would also move the Cougars within three points of the second-place Vancouver Canucks, who sneaked a 1-1 tie with Seattle's leading Totems at Vancouver last night.

FORD, BALIUK OUT

The Cougars will again have to play without George Ford and Stan Baliuk, two of their three 20-goal forwards. It had been expected that Ford, who suffered a muscle injury in a game against Calgary 10 days ago, would be able to play but the fast-breaking winger found it difficult to skate when he turned out for practice yesterday. Baliuk, recovering from a broken leg, is still 10 days away from a return to action.

Defenceman Don McLeod, injured in Sunday's 4-2 win at Seattle, will be ready to play and Egan will make no line-up changes.

Canucks, who lost Bruce Gamble for an indefinite period when New York Rangers called up the rookie goalkeeper, had Ray Mikulan in goal last night. He got fine protection, being called on to make only 18 stops, but the Canucks were lucky to get a point.

CHIUPKA SCORES

There were just over eight minutes left when Don Chiupka scored on a power play to give the Totems a 1-0. With Bev Bentley stopping everything the Canucks fired at him, it looked like a second shutout for the Seattle goalkeeper but Les Lilley tied it with just over two minutes left. His hard shot trickled off Bentley's pads into the net.

Results left the Totems with a 10-point lead over Canucks.

Seattle — Goal: Bentley; defence: Hunt, Sinclair, Arnett, Rimstad; forwards: Filion, Fielder, McVie, Fonteyne, Boileau, Burton, Powers, Chiupka, Leonard.

Scots Will Meet Canuck Curlers

First step on setting up a possible world curling championship has been reached with the announcement that Canadian and Scottish champions will meet in a five-game series in Scotland, March 9-11.

Announcement was made yesterday by Ken Watson, three-time winner of the Canadian championship and now an executive of the Dominion Curling Association.

Watson reported after arriving in Toronto from a 10-day visit to Scotland that a new challenge trophy donated by the Scotch Whisky Association and appropriately named the Scotch Cup, has been put up for competition between the Canadian and Scottish champions. No announcement was made about the possibilities of expanding play for the Scotch Cup but many curling enthusiasts feel that it is only a matter of time before the United States champions will be included.

Winners of the 1959 Canadian championship, billed to start in Quebec City March 2, will be invited to make the expenses-paid trip to Scotland. If they are unable to go, an all-star rink will be selected to represent Canada.

First game of the series will be played in Edinburgh on March 9. Two games will be played in Perth on March 10 and the final two in Falkirk the following day. The Canadian rink will leave for home March 14.

Road to Brier Rocky For Provincial Champs

Defending provincial champions are finding the road to the Canadian curling championships a rocky one this season.

So far, Tony Gutoski of British Columbia, Matt Baldwin of Edmonton, who was also defending Canadian titlist, Terry Braunstein of Manitoba and Don Bauld of Nova Scotia have been dethroned. Only Bud Fisher of Newfoundland, who is making a habit of representing Canada's newest province in play for the Brier Tankard, is certain of making a second successive Brier appearance.

"KID" RINK OUT

Braunstein, who set the curling world on its ears a year ago when he won the Manitoba Consols final with a high school rink and took Baldwin to a playoff in the Canadian final, didn't qualify for Consols play this year.

A change in Consols playdowns arrangements cut down on Braunstein's chances. In previous years, the Manitoba Consols final was a 64-rink affair with 32 zone champions and the rinks which reached the 16s of the two primary events in the Manitoba Bonspiel competing. This year, there were only 12 zone champions plus rinks which got to the finals of the primary events in the MCA Bonspiel, a maximum of 16 rinks. They were divided into two sections of eight rinks, each playing a double-draw knockout to decide a winner. The section winners will then meet in a playoff.

When play shut down yesterday, seven rinks remained in the running for the Manitoba title and only one of them, a young foursome from Winnipeg's Elmwood Curling Club skipped by Dr. Dick Bird, a dentist, had two chances left.

Bird, playing in "B" section, defeated Ab Gowanlock of Dauphin, Canadian champion in 1938 and again in 1953, in one half by a 10-6 score and took Jack Caldwell of Hamiota, 13-4, to reach the final in the other half.

Meanwhile, Howie Wood, Jr., Manitoba champion in 1957, knocked Gowanlock out of the running with an 11-8 win, then lost to Caldwell, 13-12, in the semi-final on the other side. Bird will play Wood this morning and Caldwell this afternoon in the "B" section finals. If he loses one or both games, the "B" section winner will be decided tonight.

Left in "A" group are Jim Adamson of Gladstone and Stan Topioniski of Transcona, who meet in one side, and Bill Sharpe of Winnipeg's Granite CC and Mark Gordon of the Strathcona CC of Winnipeg, who tangle in the other side. Sharpe played third rocks for Wood in the 1957 Brier.

DOWN TO ONE CHANCE

In Saskatchewan, where competition is getting down to the final stages, defending champion Gordon Grimes of Eston still had one chance left last night. Grimes has the same rink which played in the 1958 Brier at Victoria.

In the Northern Saskatchewan finals, a double-draw knockout between zone champions, six rinks were left in the running. In "A" event, Stan Austman of Saskatoon and Murray Eaton of Kinley had reached the final. Austman made it by handing Gary Thode of Saskatoon his first defeat while Eaton downed John Huber of Uranium City in the other "A" semi-final.

Thode, unbeaten until yesterday afternoon, was in the semi-finals of "B" event, and his next opponent is Jim Hill of Delisle, 1956 champion who has a brand new lineup this year. In the other "B" semi-final, Grimes was pitted against Bill Wouters of Meadow Lake, who earlier handed Austman his first defeat.

Bill Clarke, lineman for Saskatchewan Roughriders, last night won the "A" final in Southern Saskatchewan playdowns, handing fellow-Reginan Ernie Richardson his first defeat, 8-6. Both had won six straight games.

Play in the "B" event of the double-draw knockout was down to the semi-finals. Richardson is to meet Gordon Nelson of Climax while Clarke is up against Truman Bailey of Moose Jaw.

Busso, Brown Battle for World Title

HOUSTON, Tex. (AP) — Leathery little Joe Brown of Baton Rouge, La., the busiest of the boxing champions, puts his world lightweight title on the line for the sixth time in two years tonight against the bristling challenge of his erstwhile conqueror, stout Johnny Busso.

Brown will have a couple of things in mind as he faces the New York strong boy—keep his title and gain revenge for an unexpected licking last November when Busso whipped him in an overweight match.

Dorohoy Sparks Stamps; Royals Defeat Edmonton

Eddie Dorohoy, having the best season of his colorful and sometimes turbulent career, may be deprived of a professional hockey record by the fact that the Eastern Division of the Western Hockey League decided to play a 64-game schedule this season instead of 70 games.

Potting three goals before 4,651 appreciative Calgary fans last night as he led the Stampeders to a 4-3 win over Winnipeg Warriors, Dorohoy boosted his point total for 47 games to 87—29 goals and 58 assists. His 87 points equals the best total he has made in a full season, which was when he won the WHL scoring title while playing for Victoria Cougars in 1950-51.

Now leading the scoring race this season by seven points, Dorohoy is within hoping distance of the pro hockey record of 122 points, set two seasons back by Guyle Fielder of Seattle.

Dorohoy, needing 36 points in his remaining 17 games, needs only to improve slightly on his season's pace, which would give him 118 points for the 64 games. His chances of surpassing Fielder's mark would be excellent had the 70-game schedule been retained.

Stampeders' win increased their division lead to 10 points over Edmonton Flyers, who were beaten in overtime, 3-2, by the hard-pressed New Westminster Royals at Edmonton.

Veteran Max McNab gave the Royals their sorely-needed second point only 11 seconds from the end of the extra period when he stole the puck from defenceman Hugh Coflin at the Edmonton blueline and went in alone to pull goalie Ed Johnson out of the nets and flip the puck in.

Reno Zanier, rookie goalkeeper, kept the Royals in the game with a fine display of puck-blocking, getting in front of no less than 47 shots. He stopped 16 in the third period as Flyers went all out for the winning goal after pulling even early in the period.

Action-packed play was on the rough side, particularly in the second period which was featured by a stick-swinging duel between defenceman Gary Collins of the Royals and Edmonton-forward Chuck Holmes.

Winnipeg—Goal: Rollins; defence: Summers, Johns, Chrystal, Folk; forwards: Kapusta, Lamoureux, Ross, Wiliuk, Brisson, Brunel, Johanson, Hynes, Mosienko.
